

MTBE

Brand new mountain bike helmet by CASCO: modern design for today's mountain bike generation in compact small shape and with excellent fit. The MTBE comes in 3 helmet sizes and with extended protection zones.

This CASCO helmet, too features the possibility of adding "CASCO-colour strips" just as you like (21 colours are available as accessory).

Recommended retail price: 160 EUR

ACTIV 2

The Best of Test & top seller **ACTIV 2** (Stiftung Warentest Magazine 5/2017), now available in new colours.

Recommended retail price: 90 EUR

MINI2

The top seller was given a facelift to further improve an already very good product. Now with 1cm more inside dimension, more UV protection, more ventilation and in new, typical CASCO designs. A sales guarantee for the CASCO dealer.

Recommended retail price: 60 EUR

CASCO Stripes with crystals from SWAROVSKI

„COLOR your helmet“- CASCO interchangeable colour strips now also with original Swarovski crystals.
New: now there is also a special version of Mystyle stripes with original Swarovski crystals, in addition to the other 21 colours available. CASCO MyStyle strips are available as accessory.

The typical "CASCO stripes" are interchangeable on almost all CASCO helmets. Especially interesting for urban as well as athletic-oriented customers, who love the color accent to perfectly match the bike or the clothing.

Recommended retail price: 9,95 EUR pair of colour stripes

Recommended retail price: 58 EUR / pair of stripes with original "Crystals from Swarovski"

SX-61 BiColor & Crystal

Many new SX-61 BiColor models: colorful, sporty and very trendy.
