

## CASCO SX-61 carbonic BICOLOR - spice up your life

The SX-61 carbonic BICOLOR with its bright colour accents gives every style the special flavour. The sunglasses not only impress with their urban design, but also convince in functional terms as sports glasses.

At first glance the latest sunglasses from CASCO seem to be plain black, but they come in a refined matte finish and have a fresh coloured shiny internal coating, which is a stylish contrast to classic design concepts. Equipped with high-quality hydrophobic carbonic lenses with anti-fog coating the SX-61 carbonic BICOLOR provide 100% protection against UV radiation, provide a reliably clear view and are particularly impact - resistant and shock-proof. The flexible sides (FLEXfit), which adapt ideally to the head of the wearer are more than comfortable for sports and leisure activities.

price: SX-61 Carbonic BICOLOR 50 Euro\*
